FOR IMMEDIATE RELEASE

Roadway Repair Project to Begin Sunday Night on State Route 121

Sonoma County – On Sunday night, September 13, Caltrans will begin a roadway repair project on State Route (SR) 121, beginning at the SR 37 junction and continuing to State Route 12. During this work there will be one-way traffic control with flaggers and a pilot car, Sunday night through Thursday night, from 8 p.m. to 5 a.m.

This work will continue through the end of October while the contractor repairs portions of the roadway, removes old pavement, and repaves. Construction activities will be completed at night, and residents may experience increased noise as the contractor works through the area.

Please drive cautiously through the construction zone, leave a safe traveling distance between your vehicle and the vehicle ahead of you, and “Slow for the Cone Zone.”

For information about Caltrans projects in Sonoma County, visit our website at <http://www.dot.ca.gov/dist4>.
